**ANSWER OF GALMOR FAMILY LIMITED PARTNERSHIP TO
PLAINTIFF'S ORIGINAL COMPLAINT (RE: DOCKET NO. 1)**

TO THE HONORABLE ROBERT L. JONES, U.S. BANKRUPTCY JUDGE:

Galmor Family Limited Partnership, Defendant herein (“Defendant”), files this answer to the *Original Complaint* (Docket No. 1) (the “Complaint”) filed herein by Kent Ries, Chapter 7 Trustee (“Ries” or the “Trustee”), and in support of such answer would show to the Court the following.

1. Defendant is without sufficient information to admit or deny the allegations in Paragraph No. 1 of the Complaint and thus denies such Paragraph.

2. Defendant is without sufficient information to admit or deny the allegations in Paragraph No. 2 of the Complaint and thus denies such Paragraph.

3. Defendant admits Paragraph No. 3 of the Complaint.

4. Defendant admits Paragraph No. 4 of the Complaint.

5. Paragraph No. 5 of the Complaint is merely a definition to which no response is necessary.

6. Defendant denies Paragraph No. 6 of the Complaint. Leslie Pritchard now is the general manager of the general partner of the FLP (defined herein as “GFLP” to maintain consistency with prior pleadings), and thus Leslie Pritchard speaks for GFLP.

7. Defendant admits Paragraph No. 7 of the Complaint. Defendant would note also that Galmor SPE 2019-1 LLC is the successor in interest to the Bank.

8. Defendant denies Paragraph No. 8 of the Complaint.

9. Defendant admits in part and denies in part Paragraph No. 9 of the Complaint. Defendant admits the procedural history to date; the remainder of such Paragraph is denied.

10. Defendant admits in part and denies in part Paragraph No. 10 of the Complaint.

a. Defendant admits that GFLP owns substantial real estate and other assets.

b. Defendant denies that GFLP presently owes any money to the Bank.

- c. Defendant denies that the GFLP owes any amounts to the either estate. As will be demonstrated in this action, the GFLP was grossly mismanaged by the underlying Debtor, Michael Stephen Galmor (“MSG”), and the supposed \$2.4 MM payable is a fictitious, poison pill entry made by MSG to attempt to set off the claims of his siblings and the decedents’ estates their parents, and which fictitious claim the Trustee has elected to pursue instead of conducting investigation and pursuit of other claims of the MSG and G&G estates. See **Exhibit 001**, Adv. No. 18-0210 Complaint.
 - d. Defendant admits that a settlement exists. See **Exhibit 002**, settlement agreement with addendum.
- 11. Defendant admits in part and denies in part Paragraph No. 11 of the Complaint.
 - a. A sale that was to occur in August 2019 failed to occur due to the refusal of MSG as the former manager of the GFLP general partner to execute the instruments necessary to close the sale, and following the failure and refusal of the Ries to take any position in any of the litigation to dislodge MSG as the manager of the general partner of the GFLP as sought by Defendant and in spite of the comprehensive breaches of fiduciary duty by MSG in these cases and with respect to the Galmor family assets, including MSG post-petition and post-conversion decreasing the assets of GFLP and encumbering the assets of GFLP in favor of third parties.
 - b. Galmor SPE purchased the Great Plains note and stopped the foreclosure sale.
- 12. Defendant admits in part and denies in part Paragraph No. 12 of the Complaint.
 - a. Defendant admits that the schedules filed by MSG contain the entry asserting a debt owed by GFLP.
 - b. Defendant denies the validity of the entry as described above and in Exhibit 001, and Defendant would show that GFLP and/or the Defendant possesses setoffs against the amount(s) claimed in the entry.
- 13. Defendant admits in part and denies in part Paragraph No. 13 of the Complaint.
 - a. Defendant admits that the schedules filed by MSG contain the entry asserting a debt owed by GFLP.
 - b. Defendant denies the validity of the entry as described above and in Exhibit 001, and Defendant would show that GFLP and/or the Defendant possesses setoffs against the amount(s) claimed in the entry.
- 14. Defendant denies Paragraph No. 14 of the Complaint.

15. Defendant denies Paragraph No. 15 of the Complaint. The debts scheduled by MSG in both sets of schedules are a fabrication. The Trustee might be in a position to bind the estate of MSG and/or G&G by the schedules, but the Trustee is not in a position to bind third parties and their stakeholders with the schedules.

16. Defendant denies Paragraph No. 16 of the Complaint. Although Count 2 is moot because of the settlement reached among the family members, Exhibit 002, the request for relief in Count 2 by a bankruptcy trustee is astonishing taking into consideration the substantial questions raised in all of the other pending litigation, including the 18-02010 Complaint, Exhibit 001, and the fact that, prior to the filing of the instant Complaint by the Trustee the Trustee was informed that MSG had used GFLP resources to pay for post-petition, post-conversion attorneys' fees and expenses. See **Exhibit 003**, Deed of Trust in favor of attorneys for MSG.

17. Defendant denies Paragraph No. 17 of the Complaint. Although the Trustee could have but failed and refused to weigh in to the litigation to remove MSG as the manager of the general partner of GFLP, no basis exists in fact or law to permit the Trustee at this point to assert control over GFLP as sought in the instant Complaint.

18. Defendant denies Paragraph No. 18 of the Complaint. The prior circumstances that potentially justify injunctive relief have changed substantially since the filing of the instant Complaint.

19. Defendant denies Paragraph No. 19 of the Complaint. The prior circumstances that potentially justify injunctive relief have changed substantially since the filing of the instant Complaint.

20. Defendant denies Paragraph No. 20 of the Complaint. The prior circumstances that potentially justify injunctive relief have changed substantially since the filing of the instant Complaint.

AFFIRMATIVE DEFENSES

21. By way of affirmative defense, Defendant would show that the Trustee is entitled to no recovery based upon at lease the following: accord and satisfaction, arbitration and award, assumption of risk, contributory negligence, duress, estoppel, failure of consideration, fraud, illegality, injury by fellow servant, laches, license, payment, release, res judicata, statute of frauds, statute of limitations; and waiver, forgery, and any other matter constituting an avoidance or affirmative defense.

RESERVATION OF RIGHTS

22. Defendant reserves the right to amend and supplement this answer, and to request a trial by jury and/or withdrawal of the reference.

CONCLUSION AND PRAYER

WHEREFORE, Defendant respectfully requests that the Court deny the relief requested in the Complaint. Defendant respectfully requests such other and further relief to which Defendant is entitled at law or in equity.

PLAINTIFF'S ORIGINAL COMPLAINT

TO THE HONORABLE ROBERT L. JONES, U.S. BANKRUPTCY JUDGE:

Leslie Pritchard ("Pritchard") individually and on behalf of decedent Shirley Jo Galmor ("SJG"), and individually and/or derivatively on behalf of the Estate of Shirley Jo Galmor, Deceased, Galmor Family Limited Partnership, a Texas limited partnership ("Galmor-FLP"), Galmor Management LLC, a Texas limited liability company ("Galmor-GP"), the Bobby Don and Shirley Jo Galmor Living Trust, the Galmor Family Trust, and the Galmor Contribution Trust, (collectively, the "Plaintiffs") file this *Plaintiff's Original Complaint* (the "Complaint") against Defendants Michael Stephen Galmor ("MSG") and Galmor's/G&G Steam Service, Inc., a Texas corporation ("G&G," and together with MSG the "Defendants"), and in support thereof would show the Court the following.

INTRODUCTION

1. This is an action to recover the fruits of the lifelong labors of Bobby Don Galmor and Shirley Jo Galmor and to ensure that their assets are distributed according to their wishes and in accordance with the planning that they provided before their deaths. This litigation is necessary to correct the undue influence, fraud, and systematic conspiracy of Michael Stephen Galmor to manipulate Shirley Jo Galmor following the death of Bobby Don Galmor in order to control all of the assets of Bobby Don Galmor and Shirley Jo Galmor for his own exclusive use and benefit and to the exclusion of his three siblings who are the intended heirs.

2. The nature and extent of the scheme implemented by Michael Stephen Galmor still is being unraveled, and discovery likely will reveal additional actionable conduct. For the time being, this Complaint includes claims to address:

- a. the fraudulent acquisition of the purported homestead of Michael Stephen Galmor from the Family Trust (as defined below);

Case 18-02010-rjl Doc 1 Filed 09/04/18 Entered 09/04/18 23:06:27 Page 8 of 45

- b. the fraudulent acquisition by Michael Stephen Galmor of two other tracts of real property conveyed in one deed and referred to as the Gin Yard and Miller Property by the forgery of the signature of Shirley Jo Galmor on one or more necessary instruments and then the failure to pay any consideration for such property;
- c. the theft of dirt, sand, rock, and/or gravel by Michael Stephen Galmor from land owned by Galmor-FLP; and
- d. the recovery of funds for Galmor-FLP used for the direct and personal benefit of Michael Stephen Galmor and/or his business.

3. This Complaint further objects to the Texas homestead exemption claimed by Michael Stephen Galmor with respect to his current residence, objects to the discharge of any damages that are owed by Michael Stephen Galmor to the Plaintiffs and/or the relevant trusts, and seeks the denial the discharge of Michael Stephen Galmor.

JURISDICTION, VENUE, AND CONSTITUTIONAL AUTHORITY TO ENTER FINAL ORDERS

4. The Court has jurisdiction over this action pursuant to Rule 7001(a)(2) and/or (10) of the Federal Rules of Bankruptcy Procedure and, without limitation, 11 U.S.C. §§105, 502, 541, 544, and/or 548.

5. Venue action is proper in this Court pursuant to 28 U.S.C. § 1409.

6. The Court may try this action to a conclusion and enter final orders under *Stern v. Marshall*, 131 S. Ct. 2594 (U.S. 2011).

23. On March 24, 2017, SJG died in Shamrock, Wheeler County, Texas.

24. The Galmor Family Limited Partnership (the “Galmor-FLP”) was formed on December 1, 2010. *See* **Exhibit 004.**

25. On August 5, 2011, Galmor Management, LLC was formed and the Company Agreement was executed. *See* **Exhibit 005.**

Case 18-02010-rjl Doc 1 Filed 09/04/18 Entered 09/04/18 23:06:27 Page 11 of 45

26. An Agreement of Limited Partnership of Galmor Family Limited Partnership was executed on or about August 16, 2011 acknowledging that Galmor Management, LLC was the General Partner of the Galmor-FLP. See Exhibit 006.

27. SJG and Bobby Don Galmor transferred and assigned certain real and personal property to the Galmor FLP during their lifetimes. See Exhibit 007.

28. Following the death of Bobby Don Galmor, the Limited Partnership Interests of Bobby Don Galmor and Shirley Jo Galmor were purportedly transferred to the Trusts. See Exhibit 008.

29. As of the Petition Date, the limited partners of the Galmor-FLP consisted of the Family Trust, the Contribution Trust, and Galmor-GP.²

30. As of the Petition Date, the members of the General Partner of the Galmor-FLP, Galmor-GP, consisted of the Galmor Contribution Trust and Galmor Family Trust.³

31. The Last Will and Testament of Bobby Don Galmor was admitted into probate as a muniment of title on January 7, 2014, and left all of his property to the Living Trust. See Exhibit 3, *supra*.

32. Pursuant to Part Three, Article Second of the Trust Instrument of the Living Trust as Amended, the Living Trust split into two trusts upon the death of Bobby Don Galmor—the Family Trust (with Bobby's ½ community interest in the Trust property), and the Contribution Trust (with Shirley's ½ community interest in the Trust property).

² This is according to MSG, Pritchard asserts that the Family Trust and Contribution Trust terminated pursuant to the Trust Instrument as Amended, and were transferred by operation of law to the Trust Beneficiaries upon the death of Shirley Jo Galmor.

³ See footnote No. 2, *supra*.

Case 18-02010-rjl Doc 1 Filed 09/04/18 Entered 09/04/18 23:06:27 Page 12 of 45

33. The Trusts are the limited partners in the Galmor-FLP with the Family Trust and the Contribution Trust each owning 49.5%, and Galmor-GP (the general partner of Galmor-FLP) owning 1%.

34. The Contribution Trust and Family Trust each own half of the membership interest in Galmor-GP.

35. Following the death of Bobby Don Galmor on April 3, 2013, MSG acted as co-trustee with SJG over the Family Trust and the Contribution Trust.

36. Following the death of SJG, MSG has since acted as sole trustee of the Family Trust and the Contribution Trust.

37. As of the filing of this Complaint, MSG remains as the sole trustee of the Family Trust and the Contribution Trust.

38. MSG has served as officer and manager of Galmor-GP since at least 2011, and as of 2017 and continuing through and until the present.

Facts supporting the standing of Pritchard.

39. The following facts establish the standing of Pritchard to prosecute this action.

40. By the various rights and interests of Pritchard referenced and described below, and the claims and causes of action set forth in this Complaint, Pritchard is a creditor of both of the relevant Debtors, MSG and G&G.

41. Pritchard is a beneficiary of the Living Trust.

42. Pritchard is a beneficiary of the Family Trust.

43. Pritchard is a beneficiary of the Contribution Trust.

44. First, Pritchard prosecutes this action on behalf of the decedent estate of SJG (the “SJG Estate”). Pritchard possesses standing to prosecute this action because, *inter alia*, (1) no administration of the SJG Estate is pending, (2) no personal representative has been appointed

for the SJG Estate, (3) the *Application for Letters Testamentary* presented by MSG and filed by MSG in Case No. 13,507, in the 31st District Court, Wheeler County, Texas has been contested and opposed,⁴ and (4) the purported *Last Will and Testament of Shirley Jo Galmor* is contested and has not been admitted to probate, and such will is believed to be fraudulent and/or a forgery. MSG is unable and unwilling to pursue such claims on behalf of the SJG Estate, and demand for him to do so would be futile due to the material conflict of interest of MSG.⁵ Accordingly, Pritchard possesses standing to prosecute this action on behalf of the SJG Estate as heir-at-law.

45. Second, Pritchard also possesses individual standing to prosecute this action as beneficiary of each of the Trusts at all material times. SJG was beneficiary of the Trusts from their inception and during her lifetime, and Pritchard brings such claims on behalf of the SJG Estate and/or as an heir-at-law of the SJG Estate. Texas Property Code Section 114.001(c) specifically allows any beneficiary to seek derivative damages to the trust estate of a trust in any case where a trustee's breach of trust causes damage to such trust estate.

46. Third, Pritchard also possesses standing to prosecute this action on behalf of Galmor-FLP, because, at all material times, Galmor-FLP and its general partner Galmor-GP

⁴ Contemporaneously with the filing of this Complaint, Pritchard has filed a motion for relief from the automatic stay to continue the prosecution of the will contest in Case No. 13,507 in Wheeler County and to commence a new action in state court to remove MSG as the trustee of the Trusts.

⁵ Generally, the executor or administrator of the decedent's estate has the exclusive right to bring suits for the recovery of real and personal property belonging to the estate. *Chandler v. Welborn*, 294 S.W.2d 801, 806 (Tex. 1956). Accordingly, while administration is pending, the heirs are generally not entitled to maintain a suit for the recovery of property belonging to the estate, unless "it appears that the administrator will not or cannot act, or that his interest is antagonistic to that of the heirs desiring to sue." *Id.* (emphasis added); see also *Mayhew v. Dealey*, 143 S.W.3d 356, 371 (Tex.App.—Dallas 2004, pet. denied) ("The second exception provides that heirs may bring suit when the personal representative cannot, or will not, bring the suit or when the personal representative's interests are antagonistic to those of the estate.").

have been owned by the Trusts to which Pritchard is a beneficiary. Following the death of SJG, Pritchard is the rightful owner of 25% of each of Galmor-FLP and Galmor-GP, even though MSG as Trustee of the Trusts has failed and refused to distribute such limited partnership interest(s) and membership interest(s) (as applicable) to Pritchard pursuant to the operative trust instrument(s).

47. Fourth, Pritchard also possesses standing to prosecute this action on behalf of SJG who was a limited partner of Galmor-FLP and/or a beneficiary of the Trusts owning Galmor-FLP from the time of the creation of Galmor-FLP through and until the death of SJG.

48. Fifth, Pritchard also possesses standing to prosecute this action on behalf of the Trusts because Pritchard and SJG each were beneficiaries of the Trusts, which Trusts were limited partner(s) of Galmor-FLP at the time of the various transactions that are the subject of the action.

49. Furthermore, the status of Pritchard as a limited partner of Galmor-FLP has arisen by operation of law and/or under the terms of the partnership agreement under which the Trusts were limited partners of Galmor-FLP at the time of the transactions that are subject of this action.

50. It is necessary for Pritchard to bring this action on behalf of Galmor-FLP because the general partner, Galmor-GP, is controlled by MSG who is acting as president, officer, director, and sole manager of Galmor-GP, and MSG is otherwise in complete control of Galmor-FLP and Galmor-GP. Galmor-FLP and/or Galmor-GP have failed and refused to bring the action, and an effort to cause Galmor-FLP and/or Galmor-GP to bring the action is not likely to succeed. Under Texas law, a limited partner may step into the general partner's shoes to sue a

third party. Tex. Bus. Orgs. Code § 153.401; *see also id.* at §§ 101.452, 101.463, 101.1115 (for a limited liability company).

51. Pritchard has not attempted to secure initiation of this action by Galmor-GP because Galmor-GP is controlled by MSG who is president, officer, director, and sole manager managing of Galmor-GP, and MSG is otherwise in complete control of Galmor-FLP and Galmor-GP. MSG is unlikely to initiate a lawsuit against himself through the general partner which he controls on behalf of Galmor-FLP which he also controls.

Fiduciary duties and trust placed in Stephen Galmor.

52. Following the death of her husband, Bobby Don Galmor, SJG placed her trust and confidence in her son MSG in all matters related to finance and business. This trust and confidence regarding her finances and the property owned by her in her name, or that she and/or Bobby Don Galmor had put into their family business, the Galmor-FLP, and the Trusts, was absolute.

53. SJG relied on and trusted MSG to manage and inform her of all matters related to such property at all material times.

54. MSG owed fiduciary duties to SJG by as beneficiary of the Trusts and owner or beneficial owner of the interests in Galmor-FLP and Galmor-GP.

55. MSG also owed to SJG an informal fiduciary duty to act in her best interest with regards to the property owned by her and the property to which she held a beneficial interest.

56. MSG also exerted undue influence over the affairs of SJG.

57. Prior to the death of Bobby Don Galmor, SJG relied upon Bobby Don Galmor for all business financial dealings and even with respect to all household financial dealings, including management of the household checking account and bank balances, and making sure that sufficient funds existed each month to pay bills and monthly expenses of the household.

Case 18-02010-rjl Doc 1 Filed 09/04/18 Entered 09/04/18 23:06:27 Page 16 of 45

58. Following the death of Bobby Don Galmor, MSG assumed this role with respect to his mother SJG.

Fraudulent transfer of the Homeplace to Stephen Galmor.

59. Sometime after the death of Bobby Don Galmor which occurred on April 3, 2013, SJG and the Galmor Family Trust purportedly executed the *Farm and Ranch Contract* with a purported contract date of September 10, 2014 or September 11, 2014 (the “Farm and Ranch Contract”). See **Exhibit 009**.

60. The Farm and Ranch Contract purported to convey from the Living Trust to MSG the certain real property consisting of a 175 acre tract of land and improvements thereon and commonly referred to as 6535 Highway 83, Shamrock, Texas 79079 (the “Homeplace”) and which tract is more fully described in the Farm and Ranch Contract.

61. The Homeplace had been the residence of Bobby Don Galmor and SJG for several decades and was the homestead of SJG prior to her death.

62. MSG has listed in the Homeplace in schedules, and MSG claims a homestead exemption under Texas law with respect to the Homeplace.⁶

63. The Farm and Ranch Contract was purportedly signed by SJG and MSG as Co-Trustees of the Family Trust. See Exhibit 9.

64. Under the Farm and Ranch Contract, the purchase price for the transaction was to be in the amount of \$225,000.00.

65. On information and belief, such purchase price was substantially below the market value of the Homeplace (which artificially low valuation is admitted in the Schedules filed by MSG which shows a market value of \$500,000).

⁶ See Case No. 18-20209, Docket No. 19.

Case 18-02010-rjl Doc 1 Filed 09/04/18 Entered 09/04/18 23:06:27 Page 17 of 45

66. In addition, the Farm and Ranch Contract itself was fraudulent because as of the purported date of the Farm and Ranch Contract (September 10, 2014 of September 11, 2014), SJG was living and the signature of SJG either individually and/or as trustee of one or more of the Trusts would have been necessary to convey the Homeplace.

67. On or about December 10, 2014 the Living Trust apparently in furtherance of the purported Farm and Ranch Contract, and SJG as Sellers purportedly executed a *Warranty Deed with Vendor's Lien* that conveyed the Homeplace to MSG (the "Homeplace Deed"). See **Exhibit 010**.

68. Also around the time of the execution of the Homeplace Deed, MSG executed a *Deed of Trust* (the "Homeplace DOT") for the benefit of the Family Trust that purported to secure the purchase price to be paid by SMG to the Family Trust. See **Exhibit 011**.

69. To date, Plaintiffs have been unable to locate a promissory note with respect to the disputed Homeplace transaction and/or MSG has failed and refused to produce any such note in connection with discovery conducted to date in Case No. 13,507 in Wheeler County.

70. The absence of a promissory note to accompany the Homeplace DOT is another indication of fraud with respect to this transaction.

71. The Farm and Ranch Contract was purportedly signed by SJG individually, MSG individually, and MSG and SJG as co-trustees of the Family Trust. The Homeplace Deed was purportedly signed by SJG individually, and MSG and SJG as co-trustees of the Living Trust, and the Homeplace DOT was purportedly signed by MSG individually.

72. On information and/or belief, the necessary signatures of SJG on the Farm and Ranch Contract and the Homeplace Deed were forged and/or were obtained by fraudulent representations, undue influence, and/or other malfeasance on the part of MSG.

Case 18-02010-rjl Doc 1 Filed 09/04/18 Entered 09/04/18 23:06:27 Page 18 of 45

73. Furthermore, at the time of the signature of SJG on the instruments effectuating the Homeplace transaction (and as further described below), SJG was under the false impression that SJG had insufficient funds for personal living expenses and that she was otherwise destitute because of false information that MSG had supplied routinely and systematically to SJG following and since the death of Bobby Don Galmor in 2013. Furthermore, the Homeplace Deed was erroneously signed in the name of the Living Trust when the Family Trust would have been the property party to execute a deed had the transaction possessed any legitimacy.

74. MSG never paid for nor otherwise provided any consideration for the conveyance of the Homeplace.

Fraudulent transfer of the Gin Yard and Miller Property to Stephen Galmor.

75. Prior to 2012, Galmor-FLP acquired two tracts of real property in Wheeler County, Texas referred to as the “Gin Yard and Miller Property.”

76. On or about September 11, 2014, MSG caused a *Unanimous Written Consent of Managers of Galmor Management, L.L.C. A Limited Liability Company* (the “Unanimous Consent”) to be drafted for execution by the managers of Galmor-GP, purportedly approving the sale of the Gin Yard and Miller Property by Galmor-FLP to MSG individually. See **Exhibit 012**.

77. On or about October 7, 2014, MSG on behalf of Galmor-FLP and Galmor-GP executed a *Warranty Deed with Vendor’s Lien* (the “GY-MP Deed”) that conveyed the Gin Yard and Miller Property from Galmor-FLP to MSG individually. See **Exhibit 013**.

78. Also on or about October 7, 2014, MSG executed a Deed of Trust (the “(the “GY-MP Deed of Trust”) granting a security interest in the Gin Yard and Miller Property in favor of Galmor-FLP to secure the payment of the consideration to be paid by MSG for such sale. See **Exhibit 014**.

Case 18-02010-rjl Doc 1 Filed 09/04/18 Entered 09/04/18 23:06:27 Page 19 of 45

79. On information and belief, such purchase price reflected in the applicable note and/or the GY-MP Deed of Trust was below the market value of the Gin Yard and Miller Property.

80. Unlike his fraudulent acquisition of the Homeplace, MSG dispensed with the rouse of a land sale contract with respect to the fraudulent acquisition of the Gin Yard and Miller Property and went directly to the purported deed and financing instruments.

81. To date, Plaintiffs have been unable to locate a promissory note with respect to the disputed Gin Yard and Miller Property transaction and/or MSG has failed and refused to produce any such note in connection with discovery conducted to date in Case No. 13,507 in Wheeler County.

82. The absence of a promissory note to accompany the GY-MP Deed of Trust is another indication of fraud with respect to this transaction.

83. The sale of the Gin Yard and Miller Property was not approved and authorized by Galmor-FLP and was not approved and authorized by Galmor-GP.

84. The sale of the Gin Yard and Miller Property was for substantially below the fair market value of such property.

85. MSG never paid for and/or never provided any other consideration for the Gin Yard and Miller Property.

86. On or about July 7, 2015 MSG executed a *Release of Lien* and on or about July 7, 2015 MSG executed a *Corrected Release of Lien* (together, the “GY-MP Releases”) related to the GY-MP Deed of Trust, thus leaving title of the Gin Yard and Miller Property in the name of MSG free and clear. See Exhibit 015.

Case 18-02010-rjl Doc 1 Filed 09/04/18 Entered 09/04/18 23:06:27 Page 20 of 45

87. Again, without approval or authorization of Galmor-FLP or Galmor-GP, MSG executed and recorded the two GY-MP Releases to advance his fraudulent acquisition of the Gin Yard and Miller Property.

88. The consideration purportedly paid by MSG to Galmor-FLP in order to release the lien under the GY-MP Deed of Trust was never actually paid.

89. MSG otherwise never provided any or sufficient consideration to Galmor-FLP to justify the conveyance of the Gin Yard and Miller Property to MSG, even if such conveyance had been duly authorized by Galmor-FLP and/or Galmor-GP.

90. Galmor-GP never authorized the conveyance of the Gin Yard and Miller Property to MSG.

91. At the time of the purported conveyance of the Gin Yard and Miller Property from Galmor-FLP to MSG, Galmor-GP was governed by three managers MSG, SJG, and Traci Galmor Coleman (the sister of Pritchard and MSG).

92. Pritchard previously has obtained a copy of the purported Unanimous Consent. *See Exhibit 012.*

93. The Unanimous Consent was never signed by SJG, who was one of the two managers at the time of the purported Gin Yard–Miller Property Transaction.

94. Although the ‘Waiver of Notice and Consent’ page of the Unanimous Consent contains the notation of “Date Signed: 9-11-2014” the Unanimous Consent was not signed on such date.

95. Furthermore, MSG misled Traci Galmor Coleman (another daughter of Bobby Don Galmor and SJG and the sister of each of MSG and Pritchard) as to the nature and purpose of the Unanimous Consent.

Case 18-02010-rjl Doc 1 Filed 09/04/18 Entered 09/04/18 23:06:27 Page 21 of 45

96. MSG fraudulently caused and directed Traci Galmor Coleman to forge the signature of SJG onto the Unanimous Consent.

97. MSG as Trustee of the Trusts and Manager of Galmor-GP, removed his sister Traci Galmor Coleman as a manager on or about June 17, 2017, and from then forward MSG has purported to act as sole manager of Galmor-GP and thus exert total control over Galmor-FLP.

See **Exhibit 016.**

Failure of G&G to pay Galmor-FLP for extraction of rock and gravel.

98. Another of the assets of Galmor-FLP is a tract of real property in Wheeler County, Texas separate (“Gravel Property”) from the Homeplace, the Gin Yard, and the Miller Property and for which tract the Glamour-FLP owns fee simple title to the surface and all minerals.

99. The Gravel Property contains sand, dirt, rock, gravel, and/or other materials from the ground (the “Extracted Materials”) owned by Galmor-FLP and Extracted Materials have been mined and removed from the Gravel Property by SMG and/or G&G for several years.

100. SMG and/or G&G have sold such Extracted Materials to third parties or have used such Extracted Materials in other business operations of SMG and/or G&G, which operations from time to time include preparing pad sites for oil and gas well and/or wind turbine locations, and possibly including various work on roads and access points to locations.

101. SMG and/or G&G has provide no consideration or insufficient consideration to Galmor-FLP any of the Trusts, or any beneficiaries of any of the Trusts for the Extracted Materials.

102. The removal of the Extracted Materials continues to the current time.

103. Accordingly, Galmor-FLP has been damaged by the value of all such materials removed from the Gravel Property by SMG and/or G&G.

Misinformation regarding and/or misappropriation of oil and gas royalty proceeds.

104. Prior to the death of SJG, MSG intentionally misled and lied to SJG as to the payment of certain mineral royalties (the “Subject Royalties”) payable from Barker Production Co. and/or Shamrock Texas Partners and others and derived from various properties which over time Bobby Don Galmor, SJG, Galmor-FLP and/or the Living Trust had acquired a royalty interest and/or other mineral interests. (the “Subject Royalty Interests”).

105. These actions and/or omissions caused misbelief on the part of SJG that she had no money and was in poor financial condition.

106. MSG failed to inform SJG as to the financial condition and assets of Galmor-FLP and the Trusts so that SJG would believe MSG was paying her living expenses personally and that she was reliant on him when neither circumstance actually existed or need to have existed.

107. In fact, MSG knew that the Subject Royalties were being paid to SJG, Galmor-FLP, and/or the Trusts, but contrary to such payment MSG misled and failed to inform SJG that the Subject Royalties were being paid. Instead MSG led SJG to believe that the financial condition of SJG was dire and that MSG was taking care of SJG with separately derived personal funds of MSG.

108. Contrary to the misrepresentations of MSG to SJG, the Trusts and the property held in trust were more than adequate to support SJG at all relevant times.

109. MSG began acting as a Co-Trustee of the Trusts immediately following Bobby Don Galmor’s death on April 3, 2013.

110. MSG represented to friends and family that the Trusts had failed and that the Trusts had not been set up properly and had failed and did not exist.

Case 18-02010-rjl Doc 1 Filed 09/04/18 Entered 09/04/18 23:06:27 Page 23 of 45

111. On information and belief, MSG caused the Subject Royalties to be transferred to MSG and/or G&G and contrary to the interests of the Trust Beneficiaries and/or the interests of SJG in the Subject Royalties.

Breaches of duty as Trustee of the Trusts by Stephen Galmor.

112. MSG has never informed any of the beneficiaries of the Trusts of the existence and financial condition of the Trusts or the Limited Partnership it owns.

113. MSG caused the funds of the Trusts to be paid to himself or for the benefit of himself or related businesses and entities, to the detriment of the Trusts and in violation of his fiduciary duty.

114. The Trusts bank accounts were quickly drained of funds following deposits of the Subject Royalties, and were never distributed to the Trust beneficiaries.

115. MSG also has caused Galmor-FLP to pay for his personal expenses including amounts for improvements to the Galmor Homeplace after the purported conveyance of the Homeplace to MSG.

116. MSG has failed to make distributions of the Trusts as required under the terms of the trust instrument following the death of SJG.

117. By the terms of the Trust instruments, following the death of SJG, the Trusts were supposed to be dissolved and distributed to the Trust beneficiaries.

118. One or more of the Trusts were limited partners and owners of Galmor-FLP at all material times following the death of Bobby Don Galmor on April 3, 2013.

119. MSG has controlled and managed Galmor-FLP and its general partner as Trustee of the Trusts that own the limited partner interest of Galmor-FLP and that own the member interest in Galmor-GP.

120. MSG has served as President or other officer of Galmor-FLP and manager and President of its general partner, Galmor-GP at all material times.

121. To date, and without complete discovery, Plaintiffs have identified at least the following payments caused to be made from Galmor-FLP to G&G without explanation or benefit to Galmor-FLP, highlighted by several large around number transfers as shown in the figure below.

Transfers from Galmor-FLP to G&G	
Date	Transfer Amount (\$)
4/30/2015	978.00
7/5/2016	20,000.00
6/30/2013	3,164.00
5/23/2016	60,000.00
9/20/2016	20,000.00
10/31/2014	1,050.00
10/25/2017	20,000.00
TOTAL	125,192.00

122. Plaintiffs sought extensive discovery in connection with Case No. 13,507 regarding the assets and finances of SJG, Galmor-GLP, and the Trusts. Much of the discovery was not completed and remained in dispute by MSG through and until the Petition Date. In fact, the commencement of the underlying bankruptcy case stayed the scheduled deposition of MSG and/or G&G's key employee and effective CFO and/or controller, Deena Carter. Plaintiffs anticipate prosecuting further discovery under Bankruptcy Rule 2004 or under this Adversary Proceeding in order to obtain the bank records, check registers, invoices, and other source documents in order to identify and evaluate all of the transactions that have occurred with respect to the Estate of SJG, Galmor-GLP, and the Trusts since the death of Bobby Don Galmor.

123. Furthermore, at the time of the signature of SJG on the instruments effectuating the Homeplace transaction, SJG was under the false impression that SJG had insufficient funds

Case 18-02010-rjl Doc 1 Filed 09/04/18 Entered 09/04/18 23:06:27 Page 25 of 45

for personal living expenses and that she was otherwise destitute, because of false information that MSG had supplied routinely and systematically to SJG following and since the death of Bobby Don Galmor.

Material failures to disclose on Schedules and/or Statement of Financial Affairs.

124. On July 2, 2018, MSG filed his Schedules and Statement of Financial Affairs (“SOFA”) in the underlying Bankruptcy Case.⁷ See **Exhibit 017** and **Exhibit 018**.

125. To date, MSG has not filed any amendments to the Schedules or to the

126. On information and/or belief, MSG has made material misrepresentations and/or omissions in the Schedules and SOFA.

127. For example, and without limitation, MSG in the Schedules states that MSG owns the Homeplace which is not correct which purported ownership is only a result of the malfeasance of MSG.

128. MSG in the Schedules states that MSG owns the Gin Yard and Miller Property (noted in the Schedule A/B as Item Nos. 1.3 and 1.8) which is not correct and which purported ownership is only a result of the malfeasance of MSG.

129. MSG failed to itemize the household goods and furnishings required to be disclosed by Schedule A/B-6 and instead made a single listing of “furniture and household goods at all locations” in the amount of \$5,000.

130. MSG failed to itemize the electronics required to be disclosed by Schedule A/B-7 and instead made a single listing of “TVs, phones, etc.” in the amount of \$600.

131. MSG failed to itemize the jewelry required to be disclosed by Schedule A/B-12 and instead made a single listing of “Mother’s jewelry” in the amount of \$1,000.

⁷ See Case No. 18-20209, Docket Nos. 19. 22.

Case 18-02010-rlj Doc 1 Filed 09/04/18 Entered 09/04/18 23:06:27 Page 26 of 45

132. Accordingly, MSG has intentionally failed to disclose the contents of the personal property required by Schedule A/B and intentionally failed to itemize the various pieces of information.

133. The issue of the personal property itemization was discussed at the Code § 341 meeting of creditors held in the underlying Backups in Case, and in spite of such discussions MSG has taken no action to provide the information that is required by the Schedules, normal bankruptcy practice throughout Texas, and/or applicable law.

134. Schedule A/B-19 lists several different entities in which MSG is represented to be the 100% equity interest owner: SGM Leasing, LLC, SGM Management, LLC, SGM Real Estate, LLC, MSG Oil and Gas, and Galmor Land and Cattle (the “MSG Entities”).

135. The value of the MSG Entities is listed as unknown.

136. No other information is provided with respect to the MSG Entities.

137. On information and belief, one or more of the MSG Entities is used as a vehicle to avoid the disclosure of assets owned and controlled by the MSG Entities and/or by MSG individually, which assets directly benefit MSG and/or G&G.

138. On information and belief, the value of the MSG Entities is not zero and/or is known to MSG contrary to the listing on Schedule A/B, and should have been disclosed on the Schedules.

139. MSG also is known to own and/or operate a luxury motor home; however, the luxury motor home nowhere appears on schedules, or is hidden within the MSG Entities.

140. In addition, in spite of the accumulated malfeasance of MSG since the death of Bobby Don Galmor, MSG has included in Schedule A/B-30 two purported payables owed by Galmor-FLP (\$1,310,007.00) and G&G (\$2,470,135.03) to MSG individually.

Case 18-02010-rjl Doc 1 Filed 09/04/18 Entered 09/04/18 23:06:27 Page 27 of 45

141. On information and/or belief, no legitimate debts whatsoever are owed from Galmor-FLP to MSG.

142. On information and/or belief, no legitimate debts whatsoever are owed from G&G to MSG.

143. Accordingly, because the purported debts owed by Galmor-GP and/or G&G do not exist, MSG has overstated the assets disclosed on the Schedules with fraudulent intent.

144. Schedule J does not list a spouse for MSG but does list one grandson as a dependent. On information and/or belief, the grandson is not actually or functionally a dependent of MSG, and the grandson is used as a fraudulent device in order to inflate the expenses on Schedule J.

145. Schedule J-6 lists an amount of \$1,801.25 per month for electricity, heat and natural gas which amount is believed to be grossly overstated with fraudulent intent.

146. Schedule J-7 lists an amount of \$1,400 per month for food and household supplies which amount is believed to be grossly overstated with fraudulent intent.

- 3.02 The Parties wish to resolve all past and present disputes regarding the Combined Interests as set forth herein.

IV. Acknowledgments and Agreement

NOW THEREFORE, in consideration of the promises and agreements set forth in this Agreement, the Parties hereby agree to the following.

4.01. Disposition of Subject Litigation

- a. **Dismissal of Will Contest and the Trustee Removal Action, and Disposition of the Probate and the Estate of Shirley Jo Galmor.** The Parties shall enter this Agreement into the Will Contest, the Probate, and the Trustee Removal Action as a family settlement agreement and cause the dismissal with prejudice of the Will Contest and the Trustee Removal Action. The Parties agree that the Combined Interests will be distributed as if the Will Contest had never been filed, and pursuant to the terms herein rather than pursuant to any Will of Shirley Jo Galmor offered for probate.
- b. **Family Settlement Agreement Offered in Lieu of Probate of Will.** The parties agree that no administration of the Estate is necessary and that the Last Will and Testament of Shirley Jo Galmor dated June 14, 2014, shall not be admitted to probate.
- i. As an alternate plan of distribution, the parties agree that the rest, residue, and remainder of the Estate of Shirley Jo Galmor shall be distributed in accordance with the terms of the Last Will and Testament of Shirley Jo Galmor dated June 14, 2014 as though set forth herein, with the sole

exception that any Mineral Interests shall be distributed to the Trustee of the Galmor Trusts as though in accordance with a valid Will of Shirley Jo Galmor admitted to probate and no testamentary power of appointment will be given effect as to Mineral Interests.

- ii. The Parties to this Agreement expressly agree to not probate any other Will or Codicil of Shirley Jo Galmor other than the Last Will and Testament of Shirley Jo Galmor dated July 20, 2005 and the First Codicil thereto dated May 19, 2009, as may be necessary to effectuate the distribution of Mineral Interests to the Trustee of the Galmor Trusts in accordance with this Agreement or the Last Will and Testament of Shirley Jo Galmor dated June 14, 2014 as may be necessary to effectuate the distribution of property other than the Mineral Interests in accordance with this Agreement.
- c. **Dismissal of Adversary Proceeding.** Pritchard and/or the Pritchard Parties shall take the steps necessary and dismiss the Adversary Proceeding with prejudice and to amend the PPOCs consistent with this Agreement and the approval of the Parties. Pritchard will withdraw or dismiss any objections to discharge, objections to exemptions, or other filings in the Bankruptcy Cases, all with prejudice, except for the amendment of the PPOCs as set forth above.
- d. **Removal of notices of Lis Pendens and Nonsuit of Lis Pendens Suit.** Pritchard and/or the Pritchard Parties as applicable shall promptly remove any previously filed notice of lis pendens relating to the Subject Litigation, including but not limited to those notices of lis pendens recorded in vol. 741 page 214-216 of the Wheeler County property records. The parties will cause the dismissal with prejudice of the Lis Pendens Suit.

4.02. **Disposition of Homeplace Debt.**

- a. In full and final satisfaction of the Homeplace Debt, MSG assigns, without recourse, to the Galmor Trusts the following: (1) any interest he may have in said Galmor Trusts, save for any interest received as a result of the Family Settlement Agreement contained within this Agreement; (2) any interest he may have in the MSG Mineral Interests; (3) any interest he may have in the GFLP; and (4) any Post-Petition claim he may have for compensation or reimbursement from the Galmor Trusts or GFLP, except as otherwise provided for in this Agreement. In the event any spendthrift provision in the Galmor Trusts prevents the above assignment of MSG's interest in the Galmor Trusts from being effective, MSG agrees to assign and does assign any distribution he receives from the Galmor Trusts back to the Galmor Trusts.
- b. To whatever extent is necessary, the Parties authorize MSG to execute and record any deed to record his ownership of the Homeplace or release of liens necessary to release any liens of the Galmor Trusts in, to, and/or against the Homeplace, and hereby ratify MSG's actions on behalf of the Galmor Trusts in that regard. The

Parties shall execute any power of attorney reasonably requested by MSG to effectuate such releases.

- c. The Parties shall not seek to charge MSG or the Homeplace for any External Claims asserted or sustained against the Combined Interests. The Pritchard Parties do not dispute that the Homeplace is the property and homestead of MSG.
- d. The Parties need not defend nor indemnify MSG and/or the Homeplace with respect to any External Claims.

4.03. **Disposition of Trust Assets.** Upon full execution of the transactions provided for herein, all assets presently belonging to the Galmor Trusts, including such assets acquired by the Galmor Trusts pursuant to this Agreement and less any assets disposed of by the Galmor Trusts pursuant to this Agreement, are to then be immediately distributed to the beneficiaries of the Trusts as follows.

25%	Rudas
25%	Traci
25%	Used by the Pritchard Parties for purposes of the defending and/or funding of a settlement of any External Claims, including any External Claims asserted by Trustee Ries, and any remainder of such 25% shall be distributed equally to Pritchard, Rudas, and Traci, and, if necessary, prosecuting any Claims against any third parties who are not Parties to this Agreement, with remaining funds being distributed equally to Pritchard, Traci, and Rudas.

The Parties agree that due to MSG's assignment of any present or future interest he may have in the Galmor Trusts back to the Galmor Trusts, and his agreement to assign any distribution he receives back to the Galmor Trusts, the eventual distribution of the remaining property in the Galmor Trusts will be equally between Pritchard, Traci, and Rudas. This interest is subject to an External Claim that such trust interest is property of the MSG Estate and is to be defended by Pritchard and/or any of the Pritchard Parties pursuant to the following section of this Agreement.

4.04. **Continued Administration of the Combined Interests.**

- a. **Resignation of MSG from capacities within Combined Interests.** Once all transactions provided for in this Agreement have been fully closed and executed, MSG shall resign and withdraw from his capacity as trustee of the Galmor Trusts, manager, partner, officer and/or director of GFLP, manager and/or officer of

Galmor GP, and any and all other similar capacities with respect to the Combined Interests.

- b. **Management of Combined Interests.** MSG, Pritchard, Traci, and Rudas agree to the terms of the governing documents of GFLP and Galmor GP and, but to the extent such governing documents conflict with this Agreement this Agreement shall control, and MSG, Pritchard, Traci, and Rudas amend such governing documents as necessary to comply with the terms of this Agreement. MSG, Pritchard, Traci, and Rudas agree that until the liquidation and winding up of the Combined Interests is accomplished, the Combined Interests will be managed in accordance with this Agreement. Pritchard is appointed as Manager of Galmor GP with the limited authority to take actions required under this Agreement. Pritchard is authorized and directed to wind up the GFLP and Galmor GP, and effectuate the distributions and transactions required under this Agreement.
- c. **Management and Defense of Claims.** Pritchard is authorized and in her business judgment may investigate, defend, and/or compromise any Claims and/or External Claims asserted by any party against any of the Combined Interests and/or Combined Assets, and may investigate, prosecute, and/or compromise any Claims against any third parties who are not Parties to this Agreement. Any proposed settlement of such Claims and/or External Claims must be unanimously approved by Pritchard, Traci, and Rudas, and authorization for Pritchard to undertake any other actions not authorized herein must be unanimously granted by Pritchard, Traci, and Rudas.
- d. **Books and Records of the Combined Interests.** All Documents, books, records, computers, and other information of or relating to the Combined Interests shall be made available and/or turned over to Pritchard, including particularly without limitations all such things that have been or that currently exist at the Quarry Property. MSG hereby authorizes any party in possession of any books and records of or relating to the Combined Interests to provide such books and records to Pritchard. MSG will execute any documents necessary for any third parties to release Documents and information to Pritchard.
- e. **Records Relating to Subject Mineral Interests.** By this agreement, MSG authorizes and directs all operators and similar parties to provide to Pritchard and/or otherwise cause Pritchard to receive any and all books, records, and Documents relating to the Subject Mineral Interests. MSG will execute any documents necessary for any third parties to release Documents and information to Pritchard.
- f. **Notice of Claims Against the Combined Interest, etc.**
 - i. Promptly upon learning of any lawsuit or other legal action against the Combined Interests, formally or informally, MSG shall notify the other parties herein of any lawsuit or other action or proceeding that is

commenced against or relating any of the Combined Interests, the Subject Real Property, and/or the Subject Mineral Interests.

- ii. MSG warrants and represents that to date MSG has disclosed to Pritchard any pending lawsuits relating to Combined Interests, the Subject Real Property, and/or the Subject Mineral Interests known by MSG as of the Effective Date hereto.

- i. MSG shall cooperate with Pritchard and/or the Pritchard Parties in the investigation and/or defense of the External Claims.
- ii. MSG shall continue to perform any duties required of MSG under the Code with respect to the Bankruptcy Cases and/or the Bankruptcy Estates. These duties take precedence over MGS's cooperation with Pritchard in the event of a conflict.

4.05. **Disposition of GFLP and Galmor GP Assets.** It is agreed by the Parties that the GFLP and Galmor GP shall wind up and terminate. Net proceeds of such winding up will be distributed to the interest-holders of GFLP and Galmor GP as such interest-holders exist after distribution of the property of the Galmor Trusts in accordance with this Agreement. Such distribution will be in accordance with their interests and governing documents for GFLP and Galmor GP. Assets of GFLP and Galmor GP will be disposed of in the following manner:

a. **Disposition of Subject Real Property.**

Prior Lien(s) (including recording information):

None.

Other Exceptions to Conveyance and Warranty:

All previously recorded leases, easements and reservations of record

For value received and to secure full payment of the Obligation, Grantor conveys all Grantor's interest in the Property to Trustee in trust. Grantor warrants and agrees to defend the title to the Property. If Grantor performs all the covenants and pay the Obligation according to their terms, this Deed of Trust shall have no further effect, and Beneficiary shall release it at Beneficiary's expense.

Grantor's Duties:

Grantor agrees to:

1. pay all taxes and assessments on the Property, when due;
2. defend title to the Property subject to the Other Exceptions and Conveyances to Warranty and preserve the lien's priority as it is established in this Deed of Trust;
3. if this is not a first lien, pay all prior lien notes that Grantor is personally liable to pay and abide by all prior lien instruments;
4. not grant any liens or interests in the Property which are not expressly made subordinate to Secured Party's liens;
5. pay all debts and liabilities reasonably necessary to prevent foreclosure or seizure of the Property; and
6. If the Property is sold or refinanced, all sums due to Beneficiary by Grantor shall then become due and payable.

Beneficiary's Rights:

1. Beneficiary may appoint in writing a substitute or successor Trustee, succeeding to all rights and responsibilities of Trustee.
2. If the proceeds of the Property or Liens are used to pay any debt secured by prior liens, Beneficiary is subrogated to all of the rights and liens of the holders of any debt so paid.

VOL 745 PAGE 18

3. Notwithstanding Obligation terms to the contrary, and unless applicable law prohibits, all payments received by Beneficiary from Grantor under the Obligation or this Deed of Trust may, at Beneficiary's discretion, be applied first to amounts payable under this Deed of Trust and then to amounts due and payable to Beneficiary under the Obligation, to be applied to late charges, principal, or interest in the order Beneficiary in its discretion determines.

4. If Grantor fails to perform any of Grantor's Obligations, Beneficiary may perform those Obligations and be reimbursed by Grantor on demand at the place where the Obligations are payable for any sums so paid, including reasonable attorneys' fees, plus interest on those sums from the dates of payment at the rate stated in the Obligation for matured, unpaid amounts. The sum to be reimbursed shall be secured by this Deed of Trust.

5. If Grantor defaults on the Obligation or fails to perform any of Grantor's Obligations, or if default occurs on a prior lien note or other instrument or liability, and the default continues after Beneficiary gives Grantor notice of the default and the time within which it must be cured, as may be required by law or by written agreement, then Beneficiary may:

- a. declare the unpaid principal balance and earned interest on the Obligation immediately due;
- b. request Trustee to foreclose this lien, in which case Beneficiary or Beneficiary's agent shall give notice of the foreclosure sale as provided by the Texas Property Code as then amended;
- c. foreclose upon the entire interest of Debtor in the item of collateral; and
- d. purchase the Property at any foreclosure sale by offering the highest bid and then have the bid credited on the Obligation.

6. Beneficiary may remedy any default without waiving it and may waive any default without waiving any prior or subsequent default.

Default defined:

"Default" is defined as a material breach of the Obligation by the Grantor. The Obligations described on page 1 hereof consists of sums to be earned and expenses to be advanced pursuant to the Attorneys' Employment Agreement between Grantors and Beneficiary dated March __, 2019.

Trustee's Duties:

If requested by Beneficiary to foreclose this lien, Trustee shall:

1. either personally or by agent give notice of the foreclosure sale as required by the Texas Property Code as then amended;

VOL 745 PAGE 19

2. sell and convey all or part of the Property to the highest bidder for cash with a general warranty binding Grantor, subject to prior liens and to other exceptions to conveyance and warranty; and
3. from the proceeds of the sale, pay, in this order:
 - a. expenses of foreclosure, including a reasonable hourly fee to the Trustee;
 - b. to Beneficiary, the full amount of principal, interest, attorneys' fees, and other charges due and unpaid;
 - c. any amounts required by law to be paid before payment to Grantor; and
 - d. to Grantor, any balance.

General Provisions:

1. If any of the Property is sold under this Deed of Trust, Grantor shall immediately surrender possession to the purchaser. If Grantor fails to do so, Grantor shall become a tenant at sufferance of the purchaser, subject to an action for forcible detainer.
2. Recitals in any Trustee's deed conveying the Property will be presumed to be true.
3. Proceeding under this Deed of Trust, filing suit for foreclosure, or pursuing any other remedy will not constitute an election of remedies.
4. This lien shall remain superior to liens later created even if the time of payment of all or part of the Obligation is extended or part of the Property is released.
5. If any portion of the Obligation cannot be lawfully secured by this Deed of Trust, payments shall be applied first to discharge that portion.
6. Grantor assigns to Beneficiary all sums payable to or received by Grantor from condemnation of all or part of the Property, from private sale in lieu of condemnation, and from damages caused by public works or construction on or near the Property. After deducting any expenses incurred, including reasonable attorneys' fees, Beneficiary may release any remaining sums to the Grantor or apply such sums to reduce the unpaid balance of the Obligation. Beneficiary shall not be liable for failure to collect or to exercise diligence in collecting any such sums.
7. Grantor assigns to Beneficiary, as collateral, and not absolutely, but subject to the terms of payment, all present and future receivables, royalty, bonus and other income and receipts from the Property. This assignment shall become absolute upon default by Grantor in the performance of the Obligation hereby secured without further action by Beneficiary other than to

give written notice to the respective Grantor of such default. Leases, receivables, and executive rights are hereby assigned. Grantor will apply any receivable proceeds, royalty, bonus and other income and receipts by it to payment of the Obligation and performance of this Deed of Trust, according to the terms of payment, but if the receivable proceeds, royalty, bonus and other income and receipts from the Property exceed the full amount finally due under the Obligation and Deed of Trust, Grantor may retain the excess. If Grantor defaults in payment of the Obligation or performance of this Deed of Trust, Beneficiary may terminate Grantor's license to collect and then as Grantor's agent may collect all receivable proceeds, royalty, bonus and other income accruing from the Property to Grantor's interest. Beneficiary neither has nor assumes any duties as lessor or landlord with respect to any occupant or lessee of the Property. Beneficiary may exercise Beneficiary's rights and remedies under this paragraph without taking possession of the Property. Beneficiary shall apply all receivable proceeds, royalty, bonus and other income and receipts collected under this paragraph first to expenses incurred in exercising Beneficiary's rights and remedies and then to each Grantor's duties under the Obligation and this Deed of Trust in the order determined by Beneficiary. Beneficiary is not required to act under this paragraph, and acting under this paragraph does not waive any of Beneficiary's other rights or remedies, nor shall it act as an election of remedies. If Grantor files a voluntary petition in bankruptcy, or if an order for relief is granted for an involuntary petition in bankruptcy against Grantor, Beneficiary's filing a proof of claim in bankruptcy will be tantamount to the appointment of a receiver under Texas law.

8. Interest on the debt secured by this Deed of Trust shall not exceed the maximum amount of nonusurious interest that may be contracted for, taken, reserved, charged or received under law; any interest in excess of that maximum amount shall be credited on the principal of the debt or, if that has been paid, refunded. On any acceleration or required or permitted prepayment, any such excess shall be canceled automatically as of the acceleration or prepayment or, if already paid, credited on the principal of the debt or, if the principal of the debt has been paid, refunded. This provision overrides other provisions in this and all other instruments concerning the debt.

9. In no event may this Deed of Trust secure payment of any debt subject to chapters 342, 343, 345 or 346 of the Texas Finance Code or create a lien otherwise prohibited by law.

10. When the context requires, singular nouns and pronouns include the plural.

11. The term "*Obligation*" includes all extensions, additions and renewals of the June 5, 2013 fee agreement and all amounts secured by this Deed of Trust.

12. Grantor may not transfer or hypothecate the Property without Beneficiary's prior written consent.

13. This Deed of Trust shall bind, inure to the benefit of, and be exercised by successors in interest of all parties.

14. If "Grantor" and "Borrower" are not the same person, the term Grantor includes each Borrower, whether singular or plural.

745 21

15. Beneficiary shall give Grantor written notice of default before exercising any of Beneficiary's Remedies under the Security Agreement or this Deed of Trust, and each Grantor shall have ten days after notice is given in which to cure such default. If the default is not cured within such ten day period, Grantor and each surety, endorser, and guarantor of the Obligation waive all demand for payment, presentation for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, protest, and notice of protest, to the extent permitted by law.

16. Grantor agrees to pay reasonable attorney's fees, trustee's fees, and reasonable or necessary court costs and other costs of enforcing Beneficiary's rights under this Deed of Trust if this Deed of Trust is placed in the hands of an attorney for enforcement.

17. If any provision of this Deed of Trust is determined to be invalid or unenforceable, the validity or enforceability of any other provision will not be affected.

Prior Lien(s) (including recording information):

None.

Other Exceptions to Conveyance and Warranty:

All previously recorded leases, easements and reservations of record

For value received and to secure full payment of the Obligation, Grantor conveys all Grantor's interest in the Property to Trustee in trust. Grantor warrants and agrees to defend the title to the Property. If Grantor performs all the covenants and pay the Obligation according to their terms, this Deed of Trust shall have no further effect, and Beneficiary shall release it at Beneficiary's expense.

Grantor's Duties:

Grantor agrees to:

1. pay all taxes and assessments on the Property, when due;
2. defend title to the Property subject to the Other Exceptions and Conveyances to Warranty and preserve the lien's priority as it is established in this Deed of Trust;
3. if this is not a first lien, pay all prior lien notes that Grantor is personally liable to pay and abide by all prior lien instruments;
4. not grant any liens or interests in the Property which are not expressly made subordinate to Secured Party's liens;
5. pay all debts and liabilities reasonably necessary to prevent foreclosure or seizure of the Property; and
6. If the Property is sold or refinanced, all sums due to Beneficiary by Grantor shall then become due and payable.

Beneficiary's Rights:

1. Beneficiary may appoint in writing a substitute or successor Trustee, succeeding to all rights and responsibilities of Trustee.
2. If the proceeds of the Property or Liens are used to pay any debt secured by prior liens, Beneficiary is subrogated to all of the rights and liens of the holders of any debt so paid.

VOL 745 PAGE 18

3. Notwithstanding Obligation terms to the contrary, and unless applicable law prohibits, all payments received by Beneficiary from Grantor under the Obligation or this Deed of Trust may, at Beneficiary's discretion, be applied first to amounts payable under this Deed of Trust and then to amounts due and payable to Beneficiary under the Obligation, to be applied to late charges, principal, or interest in the order Beneficiary in its discretion determines.

4. If Grantor fails to perform any of Grantor's Obligations, Beneficiary may perform those Obligations and be reimbursed by Grantor on demand at the place where the Obligations are payable for any sums so paid, including reasonable attorneys' fees, plus interest on those sums from the dates of payment at the rate stated in the Obligation for matured, unpaid amounts. The sum to be reimbursed shall be secured by this Deed of Trust.

5. If Grantor defaults on the Obligation or fails to perform any of Grantor's Obligations, or if default occurs on a prior lien note or other instrument or liability, and the default continues after Beneficiary gives Grantor notice of the default and the time within which it must be cured, as may be required by law or by written agreement, then Beneficiary may:

- a. declare the unpaid principal balance and earned interest on the Obligation immediately due;
- b. request Trustee to foreclose this lien, in which case Beneficiary or Beneficiary's agent shall give notice of the foreclosure sale as provided by the Texas Property Code as then amended;
- c. foreclose upon the entire interest of Debtor in the item of collateral; and
- d. purchase the Property at any foreclosure sale by offering the highest bid and then have the bid credited on the Obligation.

6. Beneficiary may remedy any default without waiving it and may waive any default without waiving any prior or subsequent default.

Default defined:

"Default" is defined as a material breach of the Obligation by the Grantor. The Obligations described on page 1 hereof consists of sums to be earned and expenses to be advanced pursuant to the Attorneys' Employment Agreement between Grantors and Beneficiary dated March __, 2019.

Trustee's Duties:

If requested by Beneficiary to foreclose this lien, Trustee shall:

1. either personally or by agent give notice of the foreclosure sale as required by the Texas Property Code as then amended;

CEL 745 -ME 19

2. sell and convey all or part of the Property to the highest bidder for cash with a general warranty binding Grantor, subject to prior liens and to other exceptions to conveyance and warranty; and
3. from the proceeds of the sale, pay, in this order:
 - a. expenses of foreclosure, including a reasonable hourly fee to the Trustee;
 - b. to Beneficiary, the full amount of principal, interest, attorneys' fees, and other charges due and unpaid;
 - c. any amounts required by law to be paid before payment to Grantor; and
 - d. to Grantor, any balance.

General Provisions:

1. If any of the Property is sold under this Deed of Trust, Grantor shall immediately surrender possession to the purchaser. If Grantor fails to do so, Grantor shall become a tenant at sufferance of the purchaser, subject to an action for forcible detainer.
2. Recitals in any Trustee's deed conveying the Property will be presumed to be true.
3. Proceeding under this Deed of Trust, filing suit for foreclosure, or pursuing any other remedy will not constitute an election of remedies.
4. This lien shall remain superior to liens later created even if the time of payment of all or part of the Obligation is extended or part of the Property is released.
5. If any portion of the Obligation cannot be lawfully secured by this Deed of Trust, payments shall be applied first to discharge that portion.
6. Grantor assigns to Beneficiary all sums payable to or received by Grantor from condemnation of all or part of the Property, from private sale in lieu of condemnation, and from damages caused by public works or construction on or near the Property. After deducting any expenses incurred, including reasonable attorneys' fees, Beneficiary may release any remaining sums to the Grantor or apply such sums to reduce the unpaid balance of the Obligation. Beneficiary shall not be liable for failure to collect or to exercise diligence in collecting any such sums.
7. Grantor assigns to Beneficiary, as collateral, and not absolutely, but subject to the terms of payment, all present and future receivables, royalty, bonus and other income and receipts from the Property. This assignment shall become absolute upon default by Grantor in the performance of the Obligation hereby secured without further action by Beneficiary other than to

give written notice to the respective Grantor of such default. Leases, receivables, and executive rights are hereby assigned. Grantor will apply any receivable proceeds, royalty, bonus and other income and receipts by it to payment of the Obligation and performance of this Deed of Trust, according to the terms of payment, but if the receivable proceeds, royalty, bonus and other income and receipts from the Property exceed the full amount finally due under the Obligation and Deed of Trust, Grantor may retain the excess. If Grantor defaults in payment of the Obligation or performance of this Deed of Trust, Beneficiary may terminate Grantor's license to collect and then as Grantor's agent may collect all receivable proceeds, royalty, bonus and other income accruing from the Property to Grantor's interest. Beneficiary neither has nor assumes any duties as lessor or landlord with respect to any occupant or lessee of the Property. Beneficiary may exercise Beneficiary's rights and remedies under this paragraph without taking possession of the Property. Beneficiary shall apply all receivable proceeds, royalty, bonus and other income and receipts collected under this paragraph first to expenses incurred in exercising Beneficiary's rights and remedies and then to each Grantor's duties under the Obligation and this Deed of Trust in the order determined by Beneficiary. Beneficiary is not required to act under this paragraph, and acting under this paragraph does not waive any of Beneficiary's other rights or remedies, nor shall it act as an election of remedies. If Grantor files a voluntary petition in bankruptcy, or if an order for relief is granted for an involuntary petition in bankruptcy against Grantor, Beneficiary's filing a proof of claim in bankruptcy will be tantamount to the appointment of a receiver under Texas law.

8. Interest on the debt secured by this Deed of Trust shall not exceed the maximum amount of nonusurious interest that may be contracted for, taken, reserved, charged or received under law; any interest in excess of that maximum amount shall be credited on the principal of the debt or, if that has been paid, refunded. On any acceleration or required or permitted prepayment, any such excess shall be canceled automatically as of the acceleration or prepayment or, if already paid, credited on the principal of the debt or, if the principal of the debt has been paid, refunded. This provision overrides other provisions in this and all other instruments concerning the debt.

9. In no event may this Deed of Trust secure payment of any debt subject to chapters 342, 343, 345 or 346 of the Texas Finance Code or create a lien otherwise prohibited by law.

10. When the context requires, singular nouns and pronouns include the plural.

11. The term "*Obligation*" includes all extensions, additions and renewals of the June 5, 2013 fee agreement and all amounts secured by this Deed of Trust.

12. Grantor may not transfer or hypothecate the Property without Beneficiary's prior written consent.

13. This Deed of Trust shall bind, inure to the benefit of, and be exercised by successors in interest of all parties.

14. If "Grantor" and "Borrower" are not the same person, the term Grantor includes each Borrower, whether singular or plural.

745 21

15. Beneficiary shall give Grantor written notice of default before exercising any of Beneficiary's Remedies under the Security Agreement or this Deed of Trust, and each Grantor shall have ten days after notice is given in which to cure such default. If the default is not cured within such ten day period, Grantor and each surety, endorser, and guarantor of the Obligation waive all demand for payment, presentation for payment, notice of intention to accelerate maturity, notice of acceleration of maturity, protest, and notice of protest, to the extent permitted by law.

16. Grantor agrees to pay reasonable attorney's fees, trustee's fees, and reasonable or necessary court costs and other costs of enforcing Beneficiary's rights under this Deed of Trust if this Deed of Trust is placed in the hands of an attorney for enforcement.

17. If any provision of this Deed of Trust is determined to be invalid or unenforceable, the validity or enforceability of any other provision will not be affected.
